

# INTACT SMART IN MORTGAGE & TITLE

**The Market**  
Real Estate Agencies, Mortgage & Title Companies, and Banks

## The Fastest Way to Get Your Information Back

inZONE

**Powerful and intuitive functionality makes document searching and automation as easy as pointing and clicking.**

## Challenges

- Making documents readily available for customers.
- Easy to use without requiring burdensome training.
- Ability to get multi-sized documents into electronic format.
- Privacy protection and security of information for disaster recovery.
- Multiple locations requiring secure access.
- Data capture and automation of processing to reduce indexing of documents.

## Document Types

- Purchase Agreements
- Disclosures
- Addendums
- Loans
- Leases
- Contracts
